

Museum of discovery of Gavarnie-Gedre

This museum offers a comprehensive and eye-opening view of the majestic Cirques of Gavarnie, Troumouse and Estaubé.

Four topics are presented there in an educational and cultural way to make the visit as surprising as it is enriching.

From the discovery of the mythical landscapes of Gavarnie-Gedre to the importance of water (mills, hydroelectric station), while journeying through agriculture, rural life and the World heritage of UNESCO, Millaris will take you in the heart of the Country of the Cirques!

It's a fun and interactive experience where you will also see an audio-visual show, introducing five characters of the country.

Duration of the visit: 1h00

Audio commentary via headphones in english, french & spanish.
